Snapshot Dispute Resolution: Arbitration

About PSL

PSL Advocates & Solicitors is a new-age boutique law firm offering specialised legal services to leading Indian and multi-national corporations, Sovereign States, Financial Institutions, Government Instrumentalities including Public Sector Undertakings, Royal Families and Individuals.

PSL (formerly known as PAMASIS Law Chambers) was renamed in 2017 and has been consistently recognized and awarded by various international and national **publications**. The team at PSL comprises of a group of dynamic counsels with rich experience who come across as a close knit group that really value their relationships with clients. PSL offers its expertise in areas of International **Arbitration, Litigation, Insolvency & Bankruptcy, White Collar Crimes** and **Corporate Commercial & Advisory**. You can read our client testimonials [here](#).

The Firm is committed towards delivering bespoke and pragmatic solutions to its clients in short turnaround time. PSL has advised and represented clients from a wide range of industrial sectors including Aviation, Banking, Automotive, Food, Hospitality, Real Estate, Retail, Defence, Infrastructure, Manufacturing, Electricity, Power, Telecom and Oil & Gas. PSL's practice is unique because the partners' experience spans across vast areas of practice.'

PSL has uniquely positioned itself to adeptly handle a wide spectrum of complex matters in various areas – from domestic to cross border disputes and advisory, with passion and motivation. Our practice areas have lawyers who have intellectual depth, expertise, and geographic scope to successfully resolve a varied range of legal issues while also retaining the advocacy inhouse and not outsourcing it to external counsels. The team at PSL is composed of experienced professionals of high reactivity. Our dedication to understanding the client and the cases along with the importance given to availability and adaptability is consistently appreciated by the clients.

PSL boasts of a culture driven on the strength of knowledge, research and innovation, highlighted by the constant pursuit of subject matter expertise and excellence in advocacy. Lawyers at PSL keep pace with international best practices and constantly implement the use of innovative technology for effective results. The firm has taken strides in this sphere by strategically investing in and developing artificial intelligence (AI) based applications for an unparalleled client experience and accuracy in research and due diligence.

Dispute Resolution: Arbitration

PSL Advocates & Solicitors has significant experience in advising and representing clients in Domestic, International and Bilateral Investment Treaty Arbitrations including arbitration related court litigation including enforcement proceedings. Our lawyers have thorough experience in assisting parties in every aspect of international and domestic arbitration and other forms of alternative dispute resolution. The firm advises on full spectrum of international and domestic arbitration, including drafting of an arbitration agreement, selection of arbitral seat as well as arbitral institute, appointment and challenge of arbitrators, conducting evidentiary hearings and final arguments, assisting in enforcing of arbitral awards or taking recourse against the same.

Through its diverse arbitration practice, especially in the infrastructure and construction sector, our lawyers are adept and equipped in handling complex disputes pertaining to extension of time claims, variation and price escalation claims, bank guarantee, wrongful termination and recovery claims et al., in various jurisdictions. Our domestic and international arbitration practice ranges from high value contractual disputes in various industry sectors including, but not limited to, Real Estate & Infrastructure, Power & Energy, Technology and Software and matters arising out of Joint Ventures, Shareholders Agreement and General Commercial Transactions. Its advice and services are tailored to meet the needs of each client, drawing on the collective knowledge of the firm in arbitration and allied commercial laws.

The firm also provides advice and assistance during the pre-arbitration stage to determine the applicability and enforceability of the Rules of Arbitration. The arbitration practice has lawyers and experts who have hand on experience of conducting arbitrations under Rules of SIAC, ICC, DIFC, LCIA, DIAC, ICADR and ad hoc arbitrations. We are proficient in conducting arbitrations in all major cities in India, and in foreign seats including Singapore, Paris, Oslo and Dubai.

Our Experience:

- ✓ Representing a reputed road construction company in a multi-billion arbitration claim pertaining to extension of time and price escalation against NHAI before a three-membered arbitral tribunal.
- ✓ Advised the Russian Federation in USD 50 Billion arbitral award enforcement in India.

He has keen interest in the evolving jurisprudence around the developments in commercial arbitration globally and significantly contributes articles in peer reviewed academic journals and online publications.

PSL Assist is an exclusive cloud-service software developed by PSL Advocates & Solicitors, which helps the firm in managing cases, legal assignments and client relationships. It empowers our team to be more efficient and enhances team collaboration as well as client and lawyer relationships. It serves as a virtual office, allowing the lawyers at PSL to allocate work, take notes, check hearing dates and keep tab on team’s work anywhere and anytime from an internet-enabled device.

The software also offers task management, scheduling, time tracking, accounting, and document management. PSL’s tech-driven approach is not only limited to developing software, but also to ensure that the clients are equally equipped and able to use the same. The tech-team gives live support to the clients whenever they wish to check their case status, set up a meeting online, or to make the digital payments.
